The Senate met a lot of obstacles this semester, but managed to build up a good record. Lincoln now has assembly privilege cards which make assemblies optional, and the hall situation was improved with the help of the Do-Right committee. The big step was the ratification of a new constitution. This provided for Junior Varsity cheerleaders and a President's cabinet. On the whole, the Fall Semester was a big success.

The Senators for the Fall Semester were; P. Anderson, M. Ante, S. Askew, S. Avery, J. Bianco, M. Burns, B. Burrows, J. Burrows, M. Butler, B. Callahan, J. Contreas, R. Costa, B. Dearborn, G. Dias, P. Doherty, J. Dunn, G. Gattuccio, A. Hadley, F. Halsted, F. Irwin, L. Johnson, B. Kennedy, B. Kessler, B. Landis, S. Lambrecht, K. Lindberg, J. Merlino, J. Moran, K. Morgan, J. Nissen, J. Novak, T. O'Reilly, J. Pike, D. Posselli, M. Rausio, J. Romano, L. Sanchez. You all did a great job!!

The Golden Axe Honor Society, under the direction of Miss Wynett Fowler, consisted of J. Barnes, A. Belardes, D. Bohne, P. Brennan, C. Byers, M. Caston, L. Cox, T. DeCair, J. DiCuiccio, M. Flora, J. Garner, W. Hand, B. Houghtaling, K. Jenks, A. Jung, K. Krough, S. Miller, N. Needham, P. Nielsen, B. Pedretti, K. Pope, W. Sarager, J. Sutherlin, B. Waters, B. Williamson, and M. Zingheim.

The committee chairmen for this fall semester consisted of R. Aikman, W. Alvarez, M. Apra, G. Barrett, C. Byers, L. Carter, S. Cleveland, R. Costa, J. Crawford, P. DeMare, J. DiCuiccio, G. Down, M. Flora, B. Kennedy, J. Krell, S. Magellon, S. Miller, P. Nielsen, J. Perez, K. Pope, and E. Sturges.

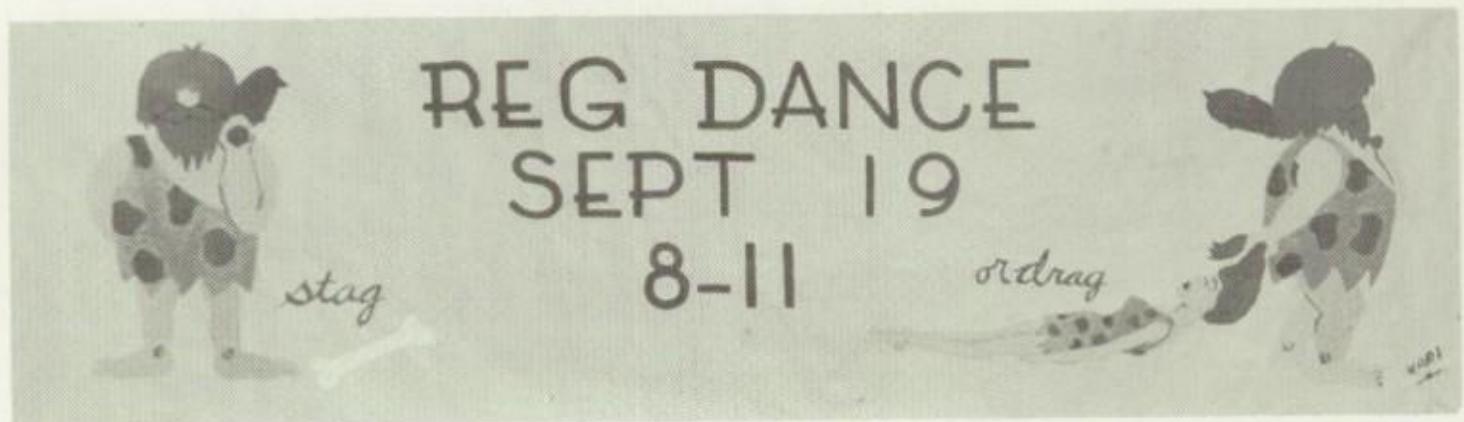

Mrs. Barnard sponsored the California Scholarship Federation this semester. The members of this organization were: W. Alvarez, D. Bohne, P. Buttitta, C. Byers, L. Cox, L. Daubek, M. Duino, V. Fanelli, J. Ferrua, M. Flora, J. Garner, W. Hand, L. Jacobson, K. Jenks, A. Jung, G. Laveroni, C. Miller, N. Needham, P. Nielson, B. Pedretti, C. Piazza, K. Pope, J. Sutherlin, R. Williamson, M. Bradley, E. Brown, M. Butcher, S. Chu, R. Clapper, M. Conklin, B. Dearborn, N. delPrete, J. DiCuiccio, L. Dickson, E. Dunham, J. Erikson, J. Estruth, R. Flores, L. Graham, P. Grayshock, T. Hawker, J. Heckendorn, D. Jelcick, E. Jung, P. Koga, A. Lane, M. Long, D. Matusich, J. Merchant, K. Morgan, K. Neaves, J. Nissen, N. Pace, and P. Quinn.

The new students were introduced to Lincoln's dances at the first dance of the year, the Reg Dance. Several students put in a number of hours of hard work to decorate the gym. However, all of them agreed that it was worth it as evidenced by the smiles on the faces of these students shown here.

REG DANCE

The publicity committee for the Reg Dance worked hard to develop the kind of posters that would catch the eye and remind the students of the dance. This poster especially caught the eye of our staff photographer with its "Stag or Drag" theme.

TALENT ASSEMBLY

In order to stimulate more interest in the Student Body Card Sales, a special talent assembly was held. In this program, many hidden talents were brought to light. Here in this shot is shown Lincoln's own Lawrence Welk.

The famous Kingston Trio is destined to be moved into obscurity by this handsome three-some who are shown here exercising their vocal chords.

Not all of the talent was confined to Lincoln students. Here is pictured the famed Spanish Dancer Santa Clara High.

Hi Lions!

We've really enjoyed being your spirit leaders this year. We want to thank you for being so spirited and coming to the games and yelling. We wouldn't have been anything without you.

We think you have been the greatest rooting section. Through your efforts, we were able to win the rooters' trophy. This shows that we're not the only ones who think you've been fabulous. We made a lot of mistakes, but we really enjoyed ourselves. Thank you for all your support.

VARSITY FOOTBALL TEAM

Our team did very well this year compared with its past seasons by placing fourth in its division. Coach Harry Rose was head coach for the Lincoln team this year, taking over retired Lee Cox's place. Wes Stevenson also coached this year and was a valuable asset to the team. Our team increased in power as the season progressed. All the team needed was a few more breaks and they would have won the championship for us, as we all saw in the Washington and the San Jose game.

Dan Landes played a good season as half-back; Mike Fatjo had also a good season as quarter-back and led his team to many a victory. One other person that cannot be forgotten is (big) Bill Moyers who played as end and scored many a touchdown for Lincoln. Other outstanding players were: Mario Moran, Pat Cavataio, Ken Markgraf, Gene Yamasaki, Frank Strause, and Phil Neilson. We can expect an excellent season next year with the returning lettermen and the champion Jr. Varsity team this year playing Varsity football.

This year's varsity team was coached for the first time by Harry Rose and Wes Stevenson. The members of the first team under the coaches were: Back row B. Moyers, L. Edwards, J. Childrey, R. 30's FOOTBALL

This year the first Lincoln 30's football team was started. The team has established a traditional "Small Bone" to be given to the winner of the Lincoln and San Jose 30's football games.

Our team won the bone this year. The members of the first 30's team were from left to right:

Third row: D. Tolbertson, L. Villareal, B. Starr, R. Hogue, G. Newgren, R. Roggy, R. Avila, H. Schultz, S. Plucy, J. Barnes, Coach Dubinsky. Second row: Coach Adams, O. Sierra, C. Burge, B. Rush, V. 20'S BASKETBALL

This year's team had a fair season by placing third place in their league. Their coach Jack Richards believes that members of this team will be able to help the 30's or even the Varsity basketball team. Members of this year's were (from left to right). Mike Rogers (G), Mark Inouye (G), John Medrano (G), Scott Johnson (G), Fred Braz (F), Bruce Jacobus (F), Jerry Arrieta (F), Gary Strom (F), Scott Turner (C), Carlos Perez (C).

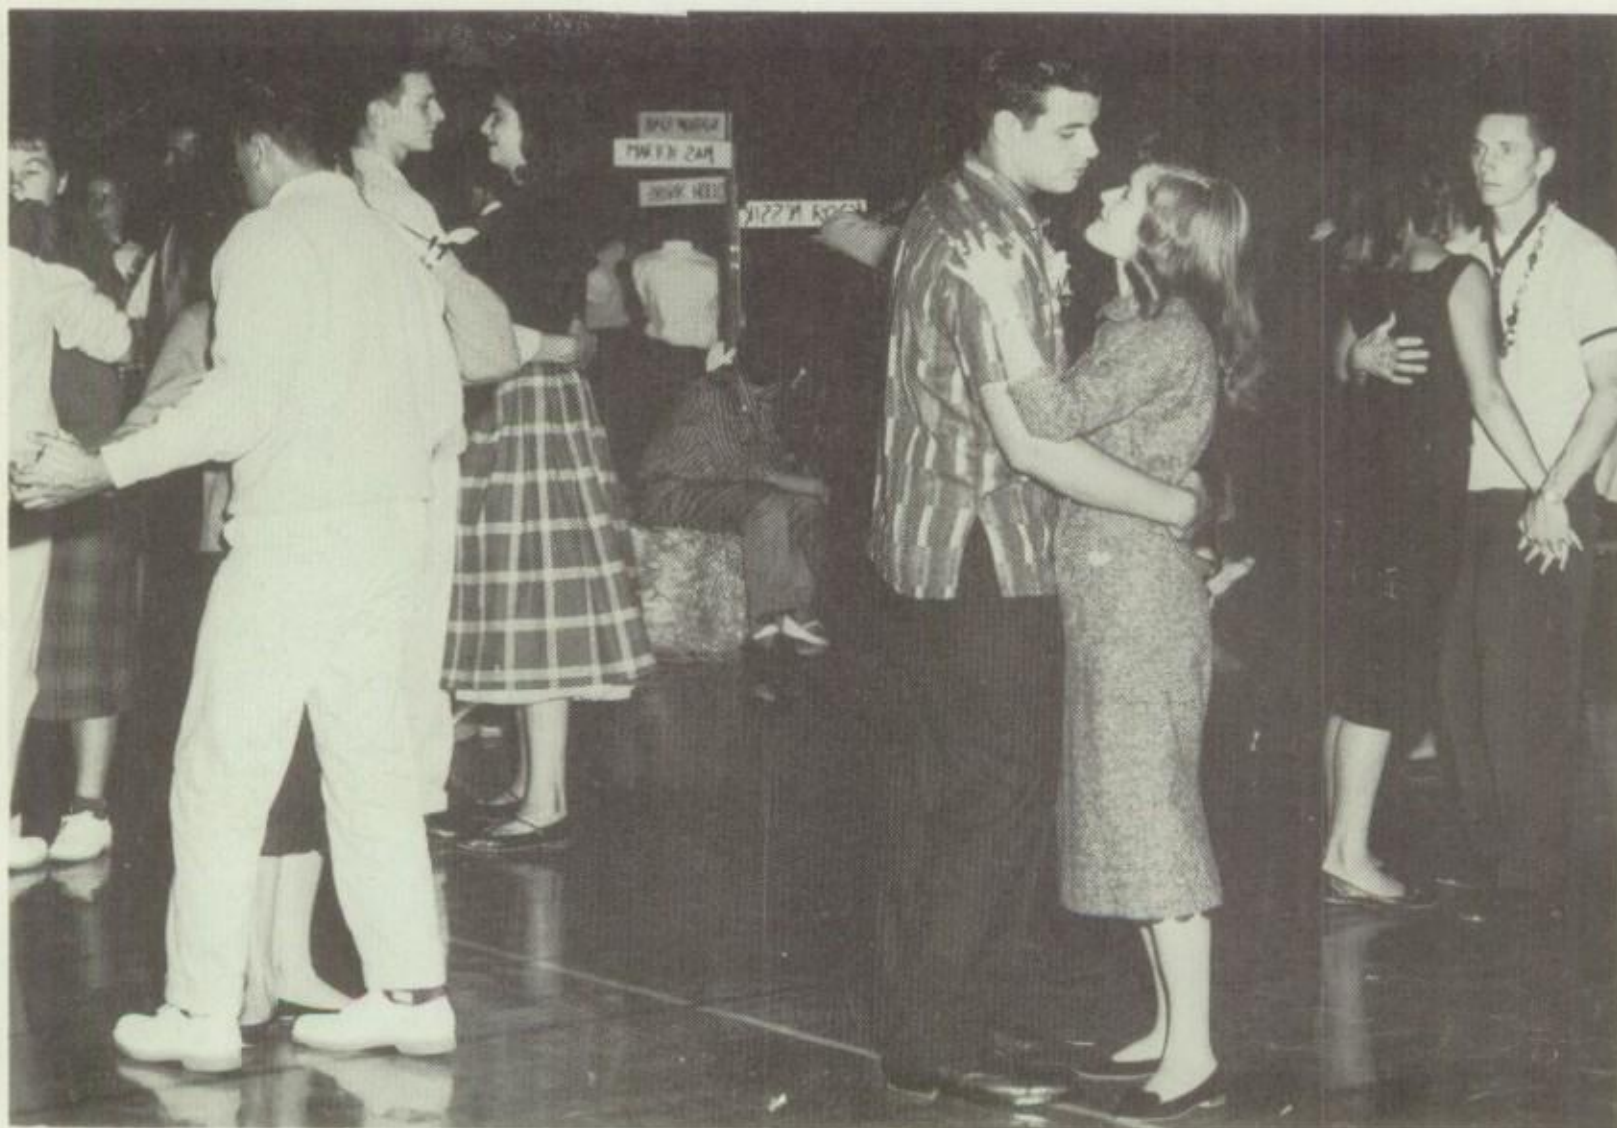

10'S BASKETBALL

The 10's were coached by Milt Raugust a student teacher from San Jose State College. Although the team did not have very much experience they came in fourth place. Some of these members will be playing 20's or possibly 30's next year. Members of this year's 10's were: Back Row John Martinez (G), Arthur Yamasaki (C), Warren Gibson (C), Benny Diaz (G), Al Belardes (F), Denny Williams (G), Front Row Carry Colla (F), Perry Elson (G), Juvenal Souza (F), Lynn Evert (C), Robert Correa (F).

SADIE HAWKINS DANCE

Music for the Sadie Hawkins Dance was provided by this talented combo composed almost entirely of Lincoln students.

At last the day of the year, that permits the girls to ask their favorite boy, rolls around. Yes, its the Sadie Hawkins Day. Here at the Sadie Hawkins Dance, students found Marrin' Sam, Kissin' Rock, Skunk Hollow, and Bald Mountain.

TWIRP DAY

Of all the school days in the school year, Twirp Day seems to be the favorite of the boys. There have been many studies made into the possible reasons for this, but it still remains a mystery. This is, however, offered as a possible reason. It's the one day of the year on which the girls are the boy's servants.

This glamorous young lady seems to be doing quite well with her hula-hoop. What big eye lashes you have, Grandmother!

Some very wise young man thought up a very appropriate sign designed to show the Sophomores their place. Need I say more?

This young man is the proud possessor of a 1901, one girl powered, Rex jet. A very rare antique indeed.

Mr. Jacobus has a little something to say to Mr. Covell and Mr. Hunter about the mess they left while eating Crum Tum's Treat.

Just the thought of winning this magnificent trophy spurred us on to sell more and more subscriptions.

success ever. Lincoln spirit was high enough to soar us high above our \$10,000 quota. All those Lions who reached their quota of \$10 or three subscriptions received Crum Tum's Treat. Those selling \$30 or more got a free trip to San Francisco to see "The Old Man and the Sea," and \$50 or more gave the hard-working salesman a darling "pixiedog." The high-salesman for the drive won the choice of either a portable TV set or \$100 cash. Robert Hilts won by selling \$232.08—worth of subscriptions and decided to take the \$100.

Vampira made an appeal to Lincoln male population to get out and sell those magazines.

The faculty assembly included a few hip cheerleaders and a nursery rhyme skit that had everyone in stitches.

Jimmy Dean and a few friends made the scene to tell us to get with it and sell those cool, cool mags.

SCIENCE

As time progresses life around us becomes more and more complicated. The science department at Lincoln strives to explain, to those who are eager and willing to learn, all about the world in which we live and the things around us which we are not aware of. Those students who do not mind a little study find the courses in Chemistry, Physics, Physiology, Biology, and Life Science a fascinating experience.

These are the science teachers at Lincoln. From left to right they are: Gene Morris, Art Boland, Harold Fisher, Dorothy Fauquet, and Donald Desch.

Here Mr. Morris helps one of his Biology classes.

This is one of Mr. Fisher's Physics classes working on an experiment in the lab.

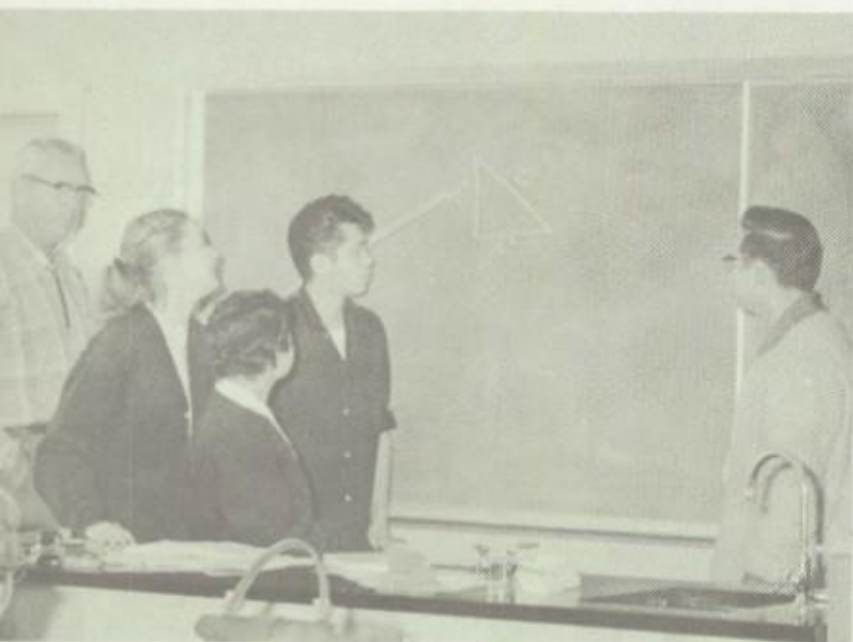

Mr. Boland here helps a group of his Chemistry students perform an experiment in front of the class.

MATHEMATICS

Everyone needs a little math in later life no matter what a person's occupation may be. During the year there are many math courses available to suit everyone's needs. For those who will not go on to college there is a well rounded Basic Math course designated to give everyone a basic understanding of Math. Other courses offered are Economic Math, Algebra, Plane and Solid Geometry, and Trigonometry.

The Math teachers at Lincoln are from left to right: Del Smith, Lee Cox, and Wynette Fowler.

On the left is Mr. Cox and one of his Math classes.

On the right is Mr. Smith explaining an algebraic equation to his Algebra class.

Here Miss Fowler explains a theorem to one of her Geometry classes.

ENGLISH

Our English Department at Lincoln gives the students a complete background not only in basic grammar but also in great literature. Each student learns to know and better understand the writings of such great authors as Chaucher and Shakespeare, and many American authors as well. A course in Journalism is also offered to the students by one of our English teachers, Mr. Bloom.

Above are Lincoln's English teachers. They are from left to right: Granville Bayse, Elgie Ogier, Harry Bloom, Amy Duvall, Florence Barnard, Joe Dubinsky, and Ray Kendall.

Here Mr. Richards helps one of the students in his English class.

On the left is Miss Pat Cabral with one of her English classes. We regret that she was absent for the teachers' pictured above.

The Social Studies teachers at Lincoln are: bottom row, left to right; Dorothy Burger, Kay Determan, Virginia Wyckoff, and Drusilla Raney top row, left to right; Doug Shull, Len Stonehill, Gordon Fechter, Tom Trombetta, and LBen Howard.

SOCIAL STUDIES

Democracy cannot work unless the people understand and participate in the government. In our Social Studies classes the functions of our government are explained to us. We are also taught the history of the United States and the rest of the world. In our sophomore year the Social Studies course includes First Aid and Driver's Training. This course truly helps us prepare for later life.

Miss Rainey here asks some of her students to point out different places on the map.

This is Mr. Trombetta explaining the importance of safe driving to a group of students.

LANGUAGES

So that students may learn the customs as well as the languages of some foreign countries; Lincoln offers to the student Spanish, Latin, and French. In these classes the students not only learn the grammar of the language, but they learn to speak fluently by giving skits and singing songs in the foreign language.

These are the language teachers at Lincoln. They are from left to right: "Mac" Martinez, Sal SanFillippo, and Edith Perazzo.

Here Mr. Sanfillippo teaches one of his Spanish classes.

On the left is the former Miss Perazzo, now Mrs. Zanotti, teaching one of her French classes.

Mrs. Zanotti also teaches Latin, and here she helps her Latin class.

The business teachers at Lincoln are from left to right: Adelene Polito, Dorothy Ehrhorn, Carl Schweinfurth, and Eric Larson.

BUSINESS

The Business Department at Lincoln offers a good basis for anyone who is interested in a business career. Such courses as Typing, Shorthand, and Bookkeeping also are useful in everyday life for the future housekeeper.

Mrs. Ehrhorn also teaches bookkeeping, and this is one of her classes.

This is Mrs. Polito explaining some shorthand symbols to one of her classes.

Here Mrs. Ehrhorn helps students in one of her typing classes.

ARTS

The Arts Department offers to the students very useful courses for anyone who will one day own his own home. Courses in Home Art instruct students in interior decorating. The crafts courses include wood carving, plastics, mosaics, and leather work. There are also courses in Drafting which prepare students for training as technicians or engineers.

The arts teachers at Lincoln are from left to right: Violet Lannis, Ray d'Artenay, and Ray Oeschger.

In the center is Miss Lannis talking on sculpture to some of her students.

In the center is Mr. Oeschger giving a few pointers on how to make posters to some of his students.

These are the two Economics teachers at Lincoln. They are: Sarah Strathman (left), and Shirley Hansen.

Here Mrs. Strathman helps one of the students in one of her sewing classes.

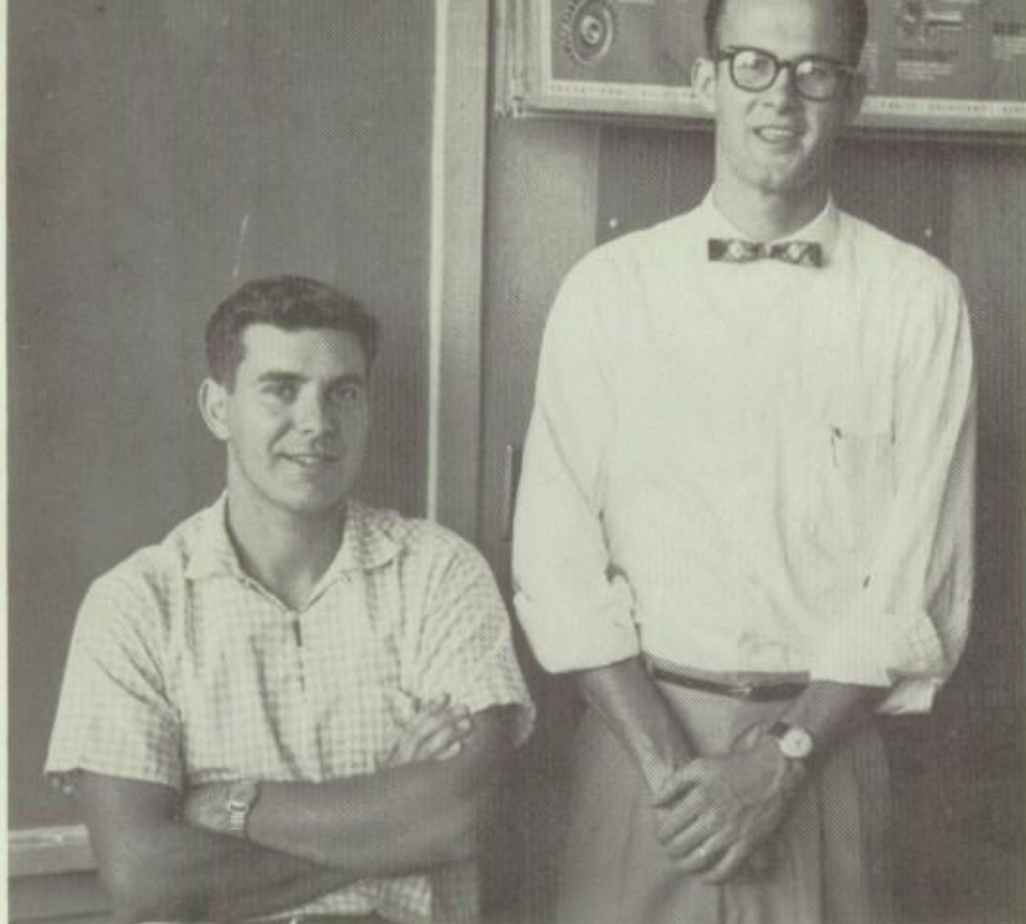

ECONOMICS

The Economics and Homemaking Department at Lincoln is dedicated to preparing girls for the future. There are sewing and cooking classes which definitely prepare the girls for when they will have to take care of their own home. There is also a Senior Homemaking class which teaches family relations, child care, home nursing, and home furnishing.

This is a picture of one of the senior homemaking classes at Lincoln.

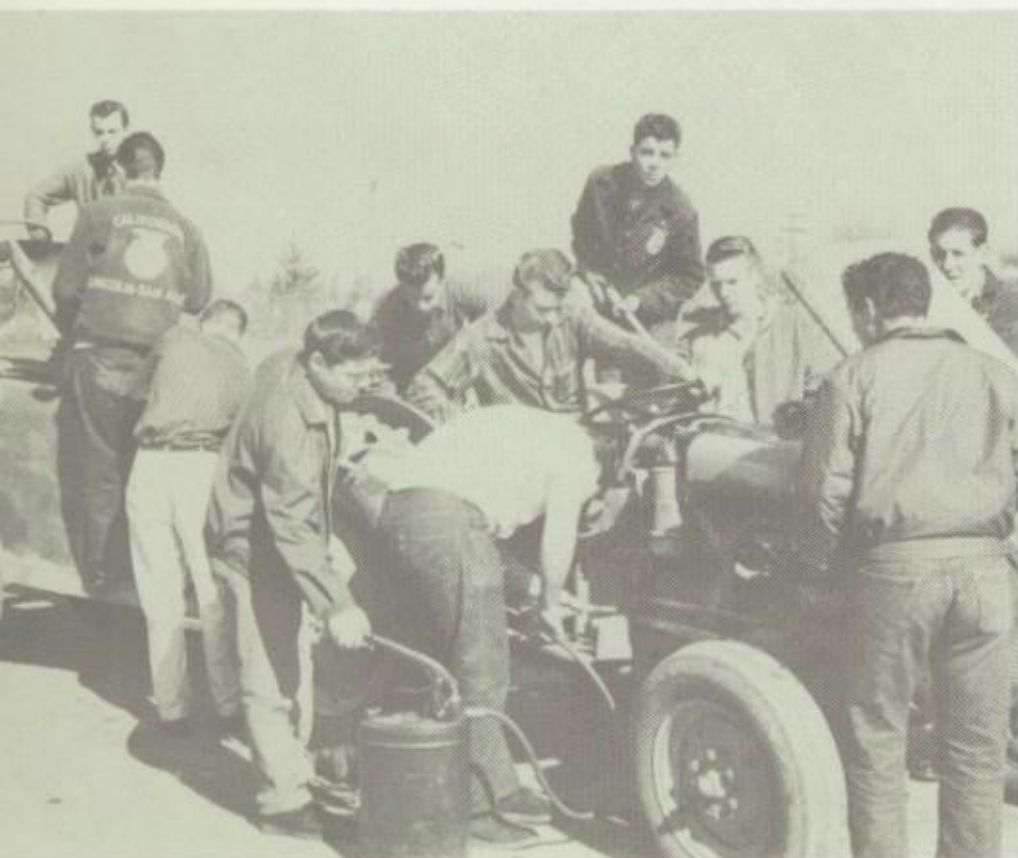

SHOP

There are two shops at Lincoln. One is Auto Shop and the other is Wood Shop. In these classes a student has a chance to learn what his abilities are and which job he is best suited for.

Lincoln also has an Agriculture Department which trains boys for all professions related to Agriculture. The boys each have some farming project to work on.

The Shop teachers at Lincoln are: Mike Chiechi (left), and Jim Wellington. M. C. Ralston, the Agriculture teacher, was absent for the picture.

This is Mr. Ralston's agriculture class getting ready for the day's work.

Here in Wood Shop boys work on projects of their own choice as shown in this picture.

This shows Lincoln's Auto Shop with different groups of boys working on varied projects.

Many of the boys at Lincoln also attend Tech every day. It is there that they are trained for a special job. When they graduate from Tech, they are ready to pursue whichever field they have been working in. There is no better way to train a boy for whichever job he likes and is good in, then to give him first-hand experience like that he gets in Tech.

The pictures on this page are all of Lincoln students working in the different shops at Tech.

MUSIC

The Music Department at Lincoln not only offers such courses as orchestra, choir, music theory, and band for those who are musically inclined, but the department also plays an important part in the school functions. It helps entertain at many school assemblies as well as being a necessary and needed part of our school spirit at sports events.

The two men in charge of the Music Department are: Vince Carter (left), and Robert Mott.

This is Lincoln's band at one of their rehearsals.

This is Lincoln's Choir directed by Mr. Carter.

These are the girls' gym teachers. They are from left to right: Catherine Costa, Margaret Watters, Ellen Stillman, and Marilyn Walters.

At the time this picture was taken these were the girl's gym teachers. With a new semester some changes were made, and the women gym teachers at the present are: Miss Costa, Mrs. King, Mrs. Walker, and Mrs. Ryder.

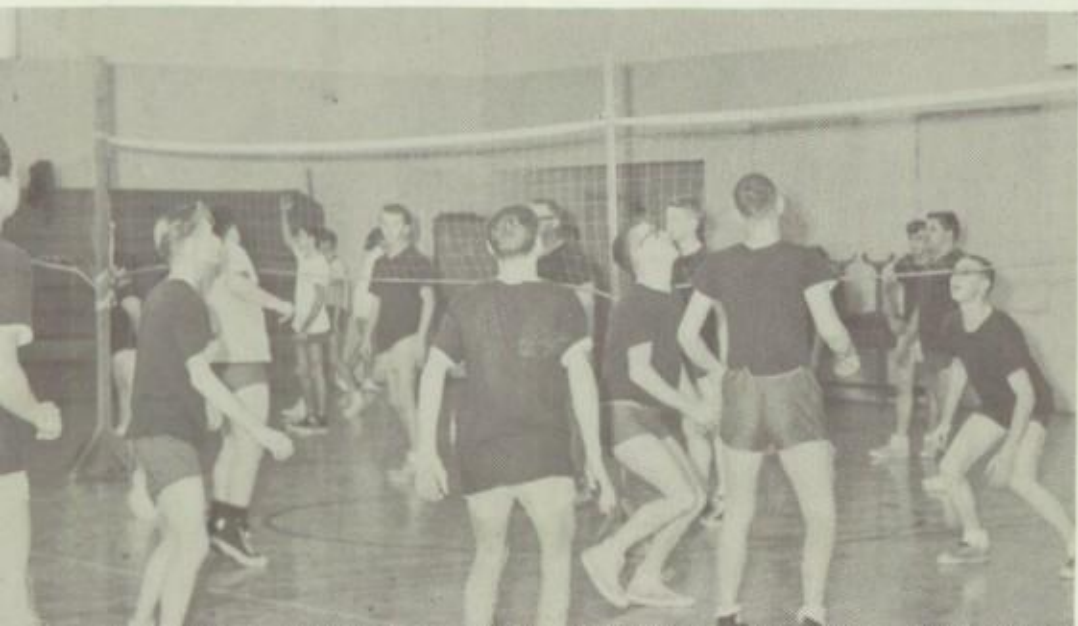

PHYSICAL EDUCATION

Our Physical Education Department strives to train the body as well as the mind of the student. In these classes the students learn to work in teams as well as learning means of self-defense and protection.

Here is a group of girls also playing volleyball in their gym class.

The boys' gym teachers and coaches are from left to right: Tom Adams, Jack Richards, Mike Chiechi, Wayne Howard, George Brinck, Harry Rose, and Wes Stevenson.

FIRST AND TEN

Mario Moran (27) gains enough yardage for a Lincoln 1st down before finally being stopped. Lincoln players in back ground are Mike Fatjo (10), Gene Yamasaki (40), and (32) Rich Arigoni.

The Big Bone Ball was held here this year and the decorations made us proud to have San Jose in our gym. "The Saints" provided the musical entertainment, and featured a fine vocalist. Some cool rock and roll music at intermission got the crowd into a real swingin' mood.

BIG BONE BALL

Diane Jelzick was the Queen from Lincoln this year, and the broad smile on her face shows how thrilled she was when Mike Fatjo placed the crown upon her head.

The team too had spirit as is evidenced by the team hand-clasp.

BONE

After successfully evading a San Jose man, Dan Landes is shown making a large gain in yardage.

The spirit at the Big Bone Game was excellent. This was due to the fact that we had such spirited Cheerleaders and Pom-pon girls. Here they are shown leading our cheering section to the stirring music of our band.

The end of the game brought tears and smiles. However, both sides agreed, as they knelt for the school hymns, that this was indeed a memorable occasion.

After all our rooting and cheering was over for the football season, and the results were tallied, we were happy to learn that we had won the Rooster's trophy. Here the President of Willow Glen High School is shown presenting the trophy to Linda Carter.

SPORTSMANSHIP AWARD

The originator of the Sportsmanship Trophy made a short speech at the presentation of the trophy to us for the past semester.

Our wrestling assembly presented our ESCVAL league champions in action. Here Frank Strouse is receiving his trophy from Mr. Adams, the wrestling coach.

Science students were entertained and educated by the General Motors Science Assembly. Here many interesting demonstrations were presented.

CHRISTMAS DANCE

One of the biggest dances of the year was the Christmas Dance. With all the snowflakes and paper streamers hanging around, one almost felt as if they were in a "Winter Wonderland."

Journalism is not only one of the most interesting but one of the most exciting classes that Lincoln has to offer. This class gives the student an opportunity to write and also a strong sense of responsibility.

Students in this class are responsible for the publication of the school newspaper, Lion Tales. This takes a great deal of co-operation since there is a deadline each Tuesday of the week. A lot of hard work is put in by all members in order that the Lincoln student body might keep up with the latest news.

The members of this class include Mary Brisco, Anita Bueno, Jerry Busch, Sally Camou, Linda Carter, Barbara Dearborn, Marila Duino, Bert Garcia, Linda Griffin, Wanda Hand, Louis Mashburn, Norville Mercer, Jeannette Merlino, Sheila Miller, Bob Pedretti, Paul Powers, Paul Quinn, Lalla Victor, and James Wood.

VARSITY BASKETBALL TEAM

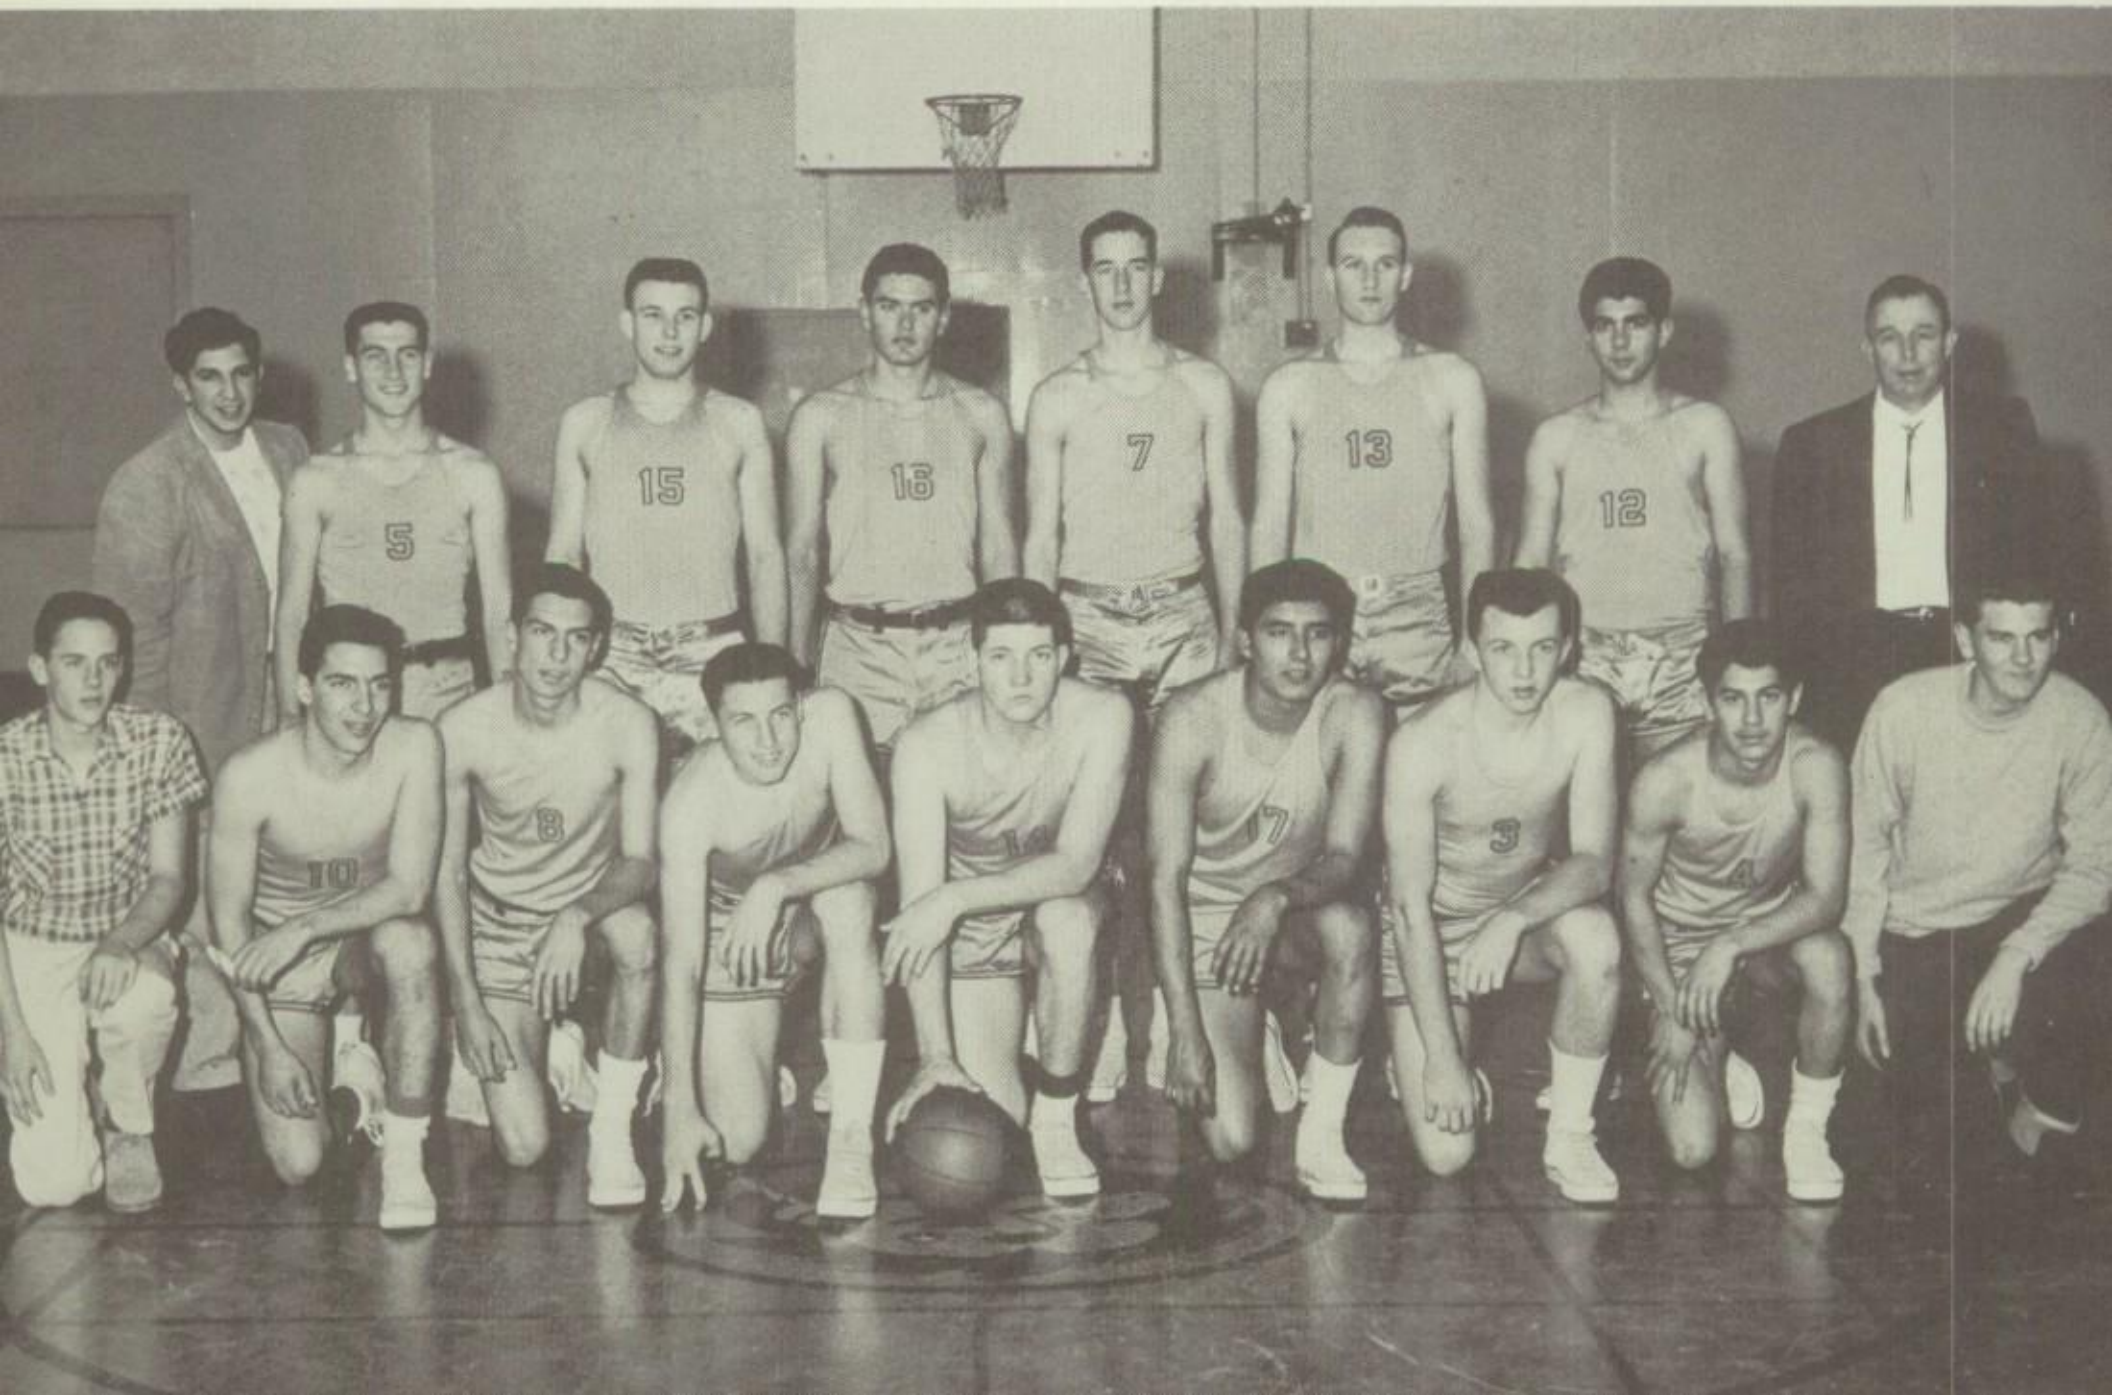

The Varsity Basketball team started their season by entering two tournaments. In the James Lick tournament Lincoln defeated Santa Clara and James Lick, in order to get into the finals. Lincoln met San Jose High in the finals but we were defeated by a slight margin.

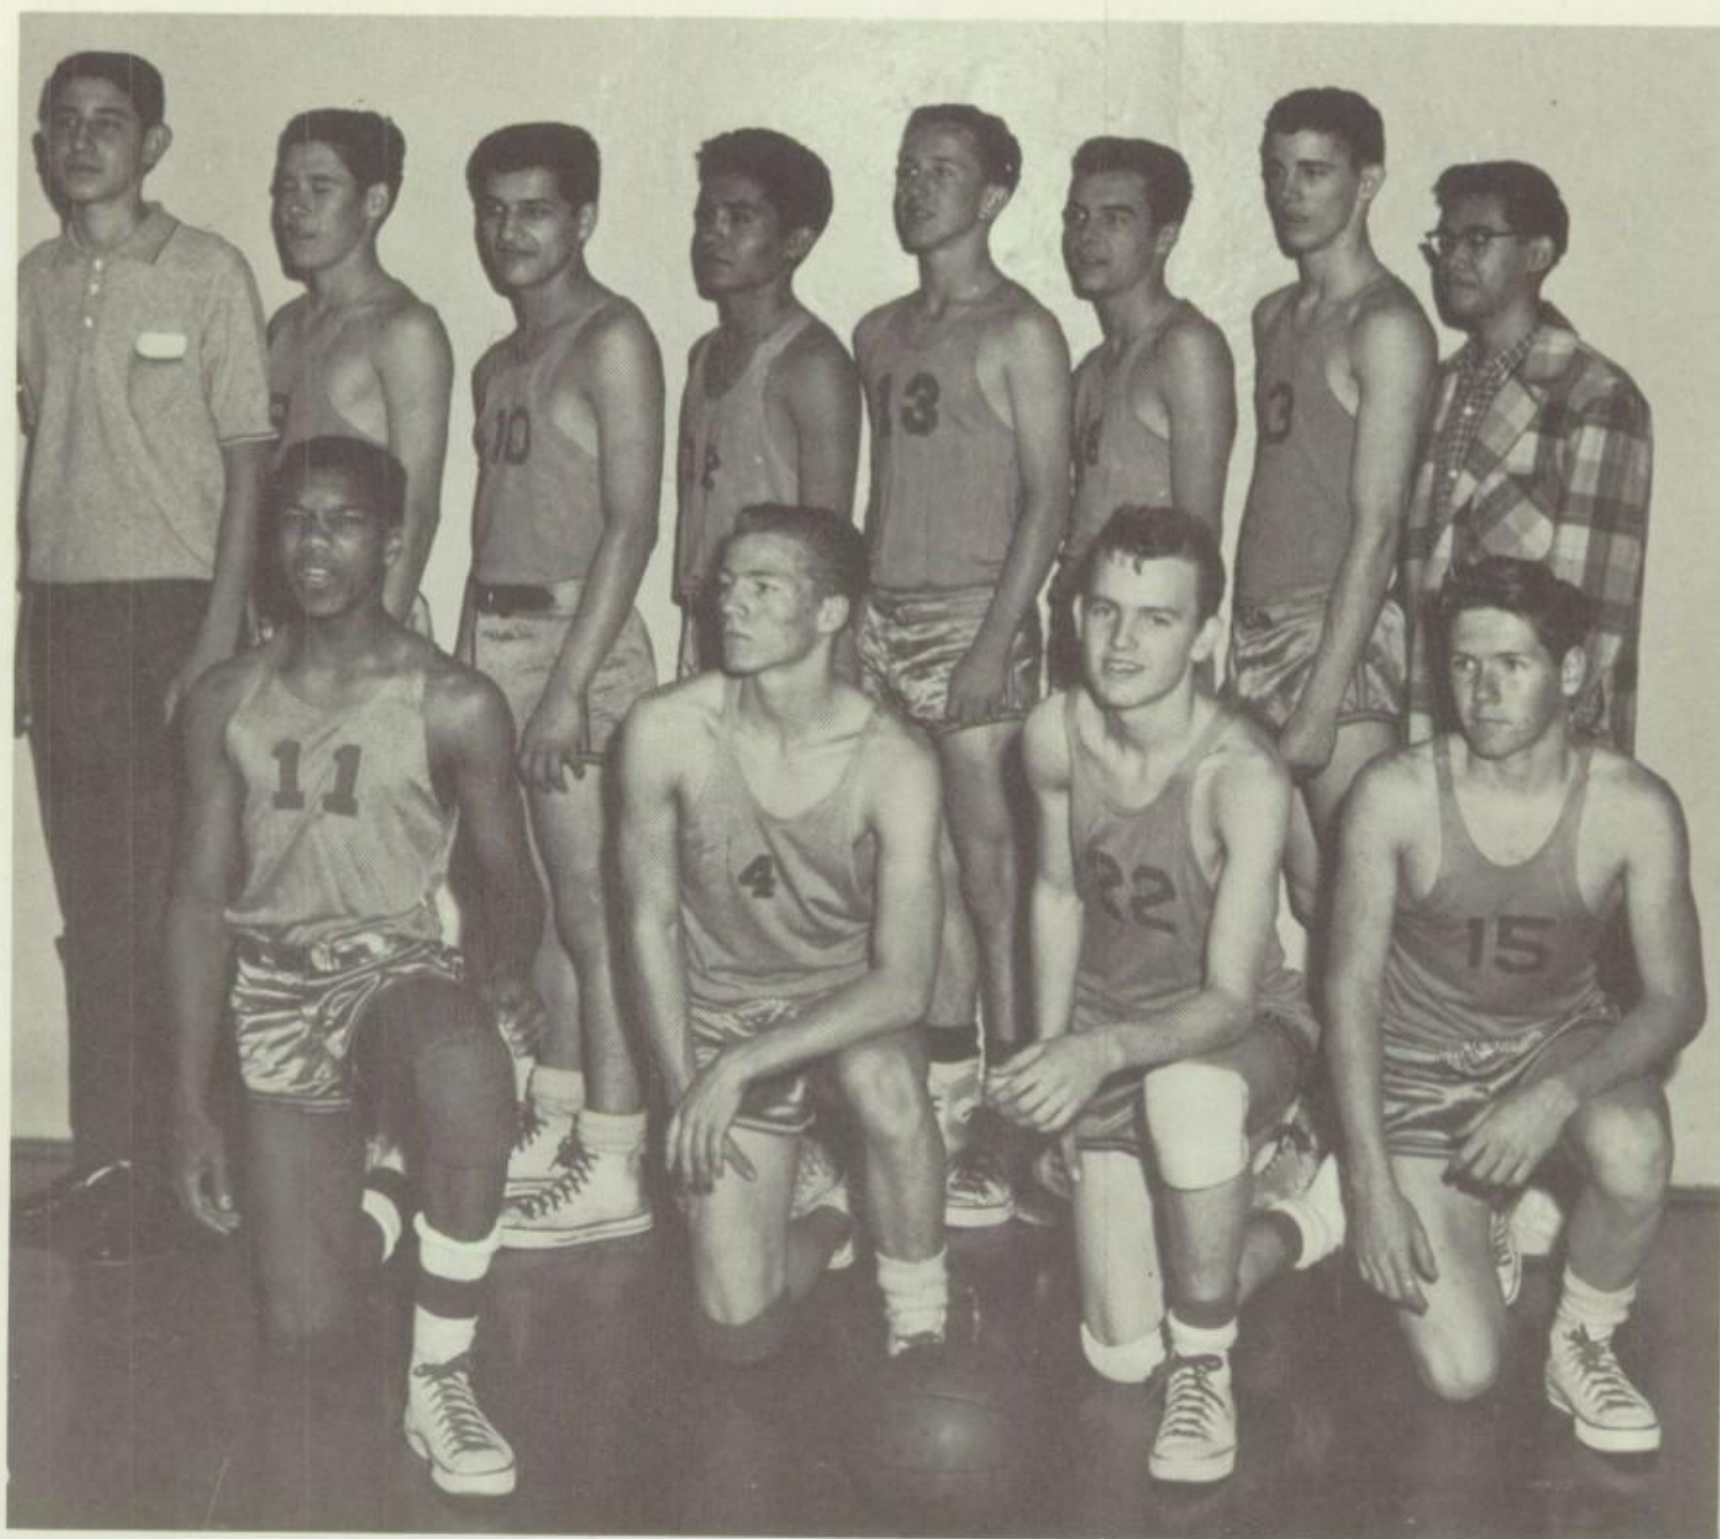

In the second tournament which we played at Sunnyvale our team defeated Sunnyvale and Samuel Ayer. Again we played in the finals against San Jose High, in this game we were completely out matched by San Jose but put up a strong battle. We lost that game but it gave the team valuable experience which they showed in their following games.

As a whole the team did very well considering that Coach George Brinck was injured and was not able to be with the team all of the season. This was George Brinck's last season and a lot of credit should be given to him for the Champion teams he has produced at Lincoln. Players that will be leaving Lincoln this year are Don Wilcox, Al Aguirre, Bill Moyers, Fred Santos, Paul Buttitta, Rich Aikman and Mike Fatjo. Bill Moyers placed second in the league scoring this year, Don Wilcox and Al Aguirre also had an outstanding season. Fred Santos played with the varsity team for the first time this year and showed everybody that height is not everything.

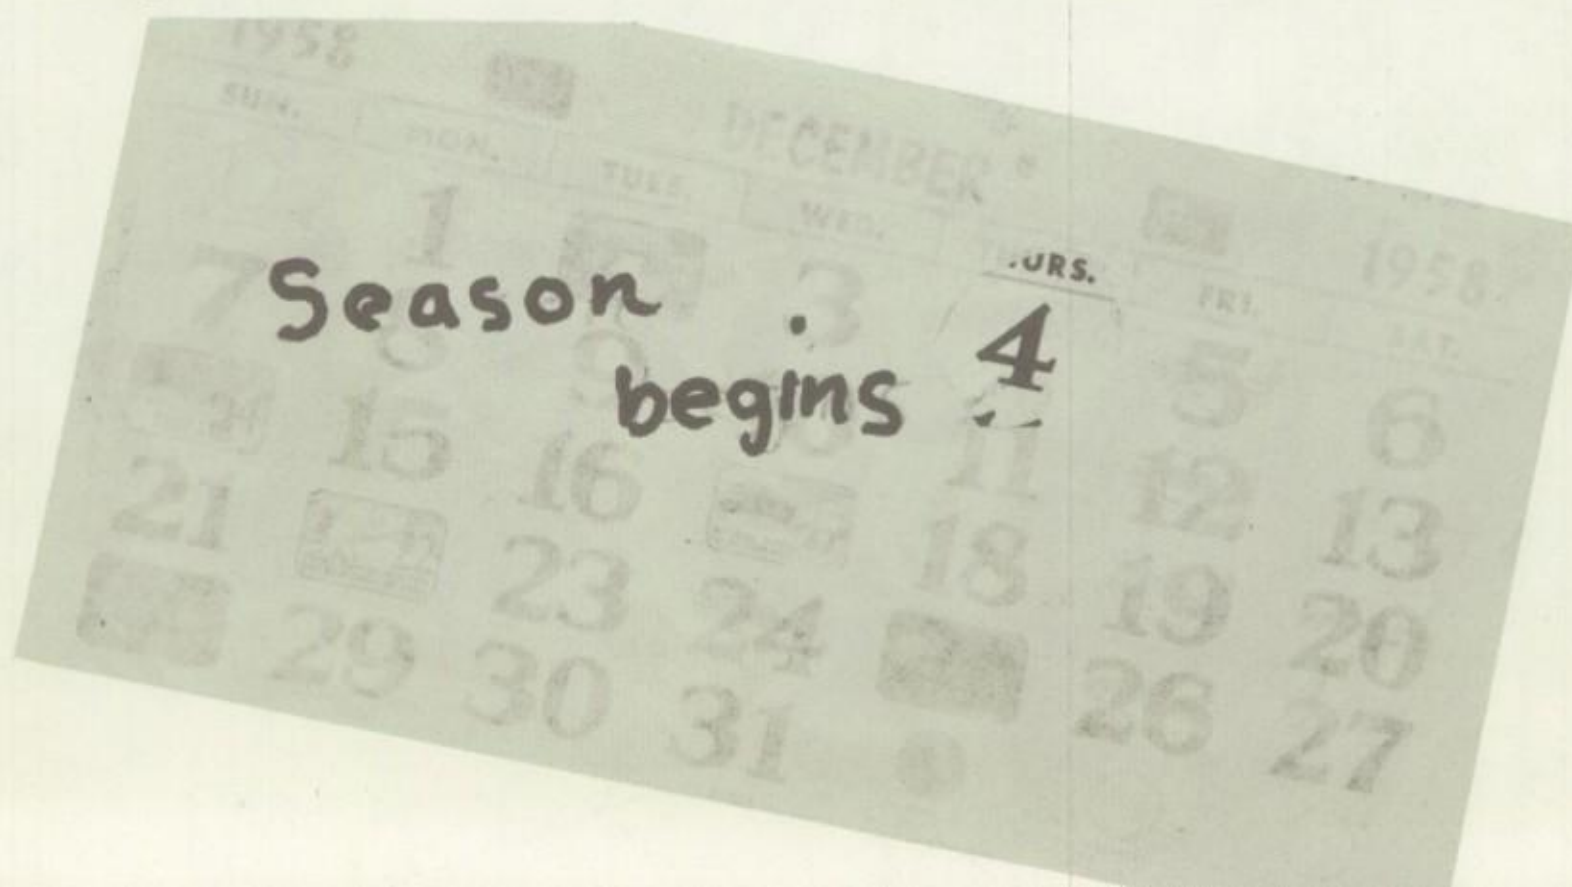

Members of this year's Varsity Basketball Team were; Back row: B. Peponis (Hd. Mgr.), C. Kappen, R. Linneweh, M. Moran, F. Hosley, R. Hilts, J. Sisto, George Brinck (coach). Bottom row: T. Wood (Mgr.), M. Fatjo, P. Buttitta, D. Wilcox, A. Aguirre, R. Aikman, F. Santos, and R. Callahan (Mgr.).

30'S BASKETBALL TEAM

Although the 30's placed fifth in their league they played hard throughout the whole season. Coach Jack Richards believes that next year with some of this year's 30's returning that next year Lincoln will have a excellent chance at the championship. John Barnes who was the only senior on the team played his last game this year after being on the team for three year's. Members of this year's team were; Back row: C. Perez(Mgr.), B. Lawther, R. Aguilar, A. Aguirre, D. Mckay, R. Muller, D. O'Connell, M. Inouye (Mgr.). Bottom row: J. Barnes, B. Rush, J. Seeger, B. Stover.

SENIOR PLAY

This year's Senior Play, *Time Out For Ginger*, was given January 15th and 16th at the Woodrow Wilson Auditorium. It proved to be very successful both nights. The cast excellently performed the story of a teenage girl and her ambition to play on the high school football team.

SENIOR VOCATIONAL

This year, as in the past, the Seniors attended a number of Vocational Conferences. Speakers were invited from different industries and jobs. The purpose of these conferences was to enable Seniors to learn more fully about jobs in which they were interested. The conferences were very successful, and everyone enjoyed them.

CONFERENCES

The 1959 Senior Vocational Conferences were well organized and attended. May I congratulate the class as a whole for their interest and cooperation which contributed to the fine record that was made. Three of your classmates, Janet Garner, Joyce Sutherlin, and Larry Daubek did an outstanding job of organizing the entire project, and some twenty other seniors performed well as chairmen of the individual meetings.

SENIOR PICNIC

This years Senior Picnic was held at the Balardo Park in Hollister. From all the talk, I gather everyone had a wonderful time. A great opportunity to really have fun with your classmates and talking over the times of your school life were only a few things discussed at the Senior Picnic.

The big moment finally arrived, the Senior Ball "Elysium" for the Senior class of 1959. June sixth was the big night, and none other than the San Jose Civic Auditorium was the place for a great climax of Senior activities, "THE BALL." Ask anyone who went, I'm sure you'll hear many thrilling things about "Elysium," meaning "heavenly," but also meant fun and excitement to the graduating Seniors.

OPEN LETTER TO SENIORS

Congratulations to the members of the June 1959 graduation class!

Your leaving Lincoln High School means several things. In the first place you have tasted of success in the fact that you have completed academic recognition set up by the State of California and the San Jose Unified School District. You are now ready to go on to college to complete your education for your life's work, or you will go right out into the community and go to work. In a sense this is a fork in the road for very important achievement for you in the years to come, and your success in high school should give you some assurance that you could be successful at college or on the job.

In the second place commencement means that you are leaving some very dear friends whom you have made at Lincoln. You will always remember Lincoln by your association with your friends in all of the school's activities. More than that, these same friends can be very helpful to you throughout the rest of your life, but this breaking off of high school friendships at this time is a painful process.

In the third place you will have fond remembrances of some very fine teachers. You will remember them because they have been interested in you and because they have gone out of their way many times to help you reach this successful point in your life. We are always overjoyed to hear of the successes of our graduates because you are our product and what you do and the way in which you live after you get out of school determines the success of the school.

We sincerely hope that Lincoln has had a great influence on your life and that you will have warm affection for Her and will come back whenever you can to see all of us.

FASHION SHOWS

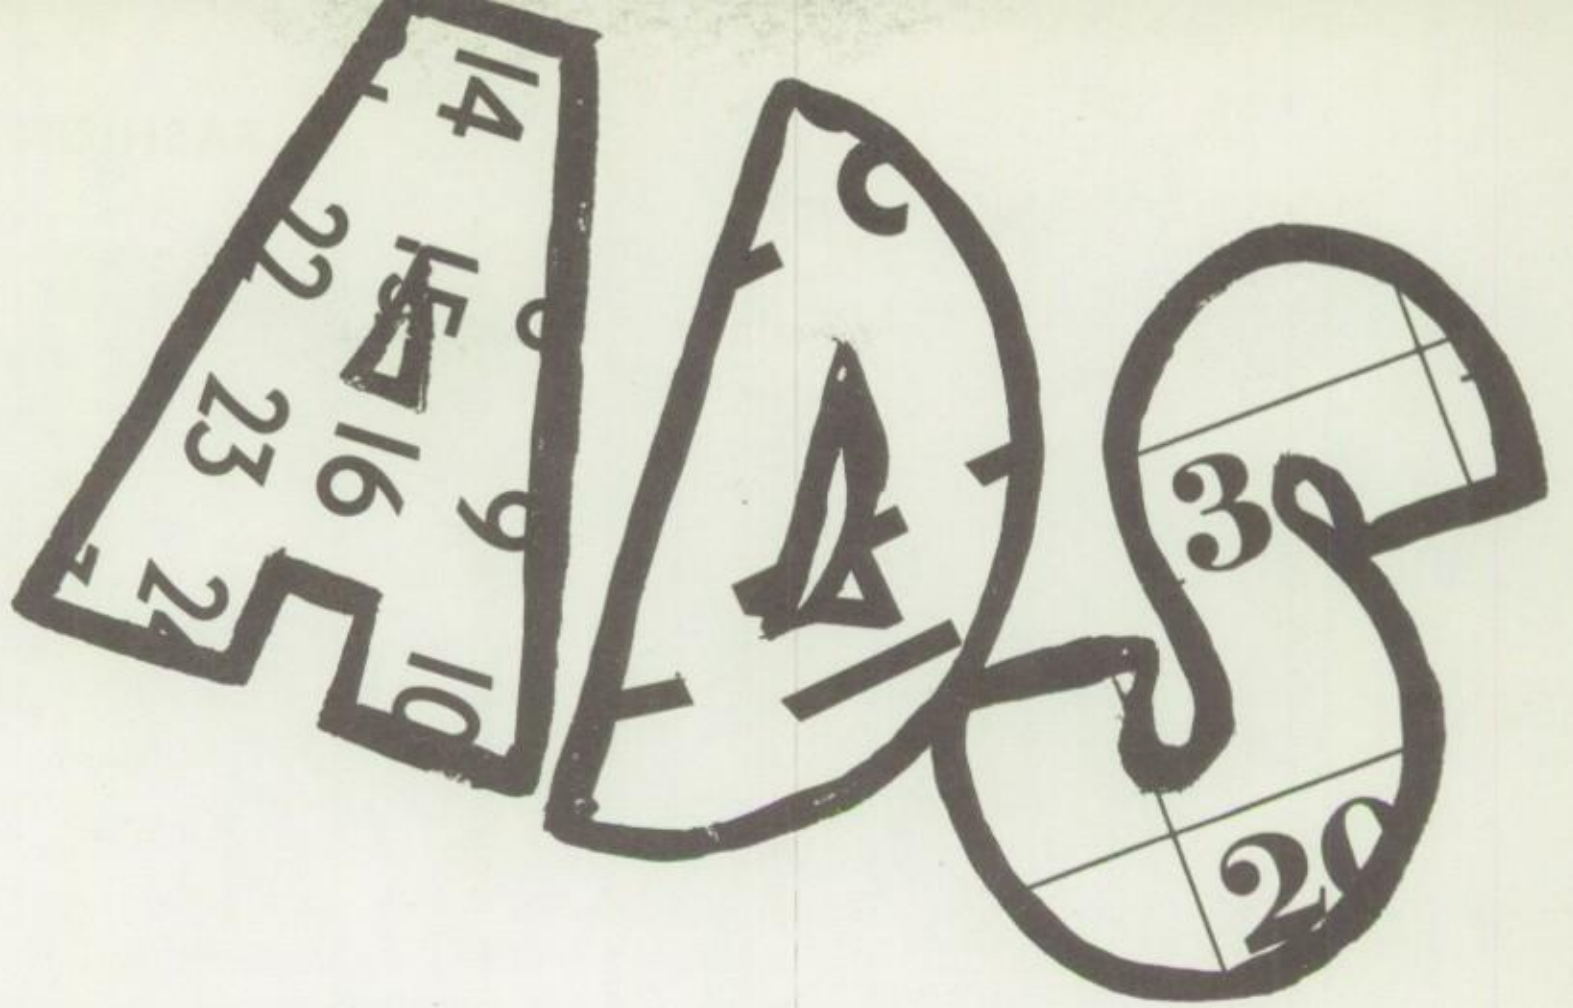

This year for the first time we had a fashion show which was a student body fund raising show. It was held on May 22 in our school gym also. There were twenty-two models—all seniors. Each girl modeled twice. The clothes came from Cowles Fashion. Mrs. Cowles was commentator.

Every year the clothing classes have two fashion shows. One in the fall and another one in spring, which is a combination Fashion Show and Mothers Tea. This year the Mothers Tea was held on May 15 in our school gym. There was entertainment put on by the students. All in all, it was a big success.
